Dear Mason Financial Aid Applicant:

Federal regulations mandate that all federal financial aid applicants be registered with the Selective Service, unless they are exempt. The Selective Service has not been able to verify your registration and because you are over 26 years of age are no longer able to register with the Selective Service.

In the space provided below, please explain why you did not register with Selective Service and **then submit this form with copies of the necessary documentation**, examples are listed below to support your claim. If you are unable to provide documentation that you entered the US after age 26, you must contact the Selective Service Administration at www.sss.gov and request a Status Information Letter. Please realize that your financial aid award cannot be processed until this information is received and reviewed by our staff. Thank you.

Signature: _____ Date: _____

Examples of the verification that will be needed to verify your claim are as follows:

- ◆ I-94 (INS Departure/Arrival form)
- ◆ Verification of Dates (e.g. date you were no longer on a Visa and became resident of the US)

Should you require assistance with this form, please contact our office at 703-993-2353 and schedule an appointment with your financial aid counselor.
